Schroder Cup

Sunday, September 25

All golfers are encouraged to participate. The Schroder Cup is our clubs version of the Ryder Cup. This is a Team event and players of like abilities will usually be paired against one another so it's great for golfers of ALL skill levels. We have historically had the same two teams, the American Team captained by Steve Abdo, and the International Team captained by Jimmy Bayne. Each year all of the new members/ Players are entered into a draft and the captains will alternate picking.

The tournament is a 27- hole team match event and will use the following format:

1st Round: 9 hole scotch: 2 person teams, both players Tee-off and select the best tee shot. They then alternate shots beginning with the player whose tee shot was not selected. The selected ball is played until the hole is complete.

2nd Round: 9 hole scramble: 2 person teams, Team members alternate teeing off and then play a scramble until hole is complete.

3rd Round: 9 hole Individual Match play : Standard Match play format

\$45 entry fee includes cart, continental breakfast, Lunch, Dinner and Prizes. Our captains will need some time to prepare for the draft so please sign-up by September 10th if you plan to play. This is one event you don't want to miss. Also the field will be limited to 36 so don't put off signing up.
